

EUROPE GOOGLE EARTH TOUR PROJECT

Your Name: _____
Partner #1's Name: _____
Partner #2's Name: _____
Today's Date: _____
Country: _____

This project is designed to help you learn important information about a selected country in Europe. The teacher will help assign you a country to research. Mrs. Topper and Mrs. Allen are going to be a tremendous help with this project – use the library and computer lab wisely and the experience will be a breeze. Come along as we journey to another destination on Earth!

Partner #1, what do I do? (subject to change)

- Research your country to find facts including: population, government (buildings, etc.), religion, imports/exports, famous attractions (landmarks, monuments), sports, anything in addition that is unique
- Collect five images from these important features of your country and record the URL's in your wiki on Moodle.
- Find a website that displays the flag of your country. Record the URL of the website in your Moodle wiki.
- Create an advertisement to visit your country through your Google Earth tour
- Works Cited included in your Google Earth tour description boxes.(at least three sources) ALL IMAGES must include the website the image is from.
- Both partners prepare a short presentation about your research and run your tour for the class. Your tour should highlight why someone would want to visit this country.

Partner #2, what do I do? (subject to change)

- Research your country to discover the major cities, capital, rivers, mountains, and surrounding countries or bodies of water.
- Collect five images from these important features of your country and record the URL's in your wiki on Moodle.
- Create a directions book that tells how to run your Google Earth Tour including how to access the descriptions with the images.
- Works Cited included in your Google Earth tour description boxes.(at least three sources) ALL IMAGES must include the website the image is from.
- Both partners prepare a short presentation about your research and run your tour for the class. Your tour should highlight why someone would want to visit this country.

Presentation Tips

- Your presentation must include an advertisement to get people to want to take your Google Earth Tour.
- Directions on how to play the tour – must be written/typed
- Provide the name of country and tell us what the tour is called
- Have each partner speak about their part of the tour (where applicable)

How will I be graded?

There are four categories that will be graded on this experience. They are: Knowledge Gained, Accuracy of Content, Impact, Creativity. The project is 60 points. The grade breakdown is as follows:

54 - 60 = A	48 - 53 = B	42 - 47 = C	36 - 41 = D	35 and below = F
-------------	-------------	-------------	-------------	------------------

When are parts of my game project due?

I must complete the following parts of the game project by... (dates are subject to change)	Due Date
Choose a Country	1/20
Notes on Country	1/23
3 resources – works cited using Noodlebib	1/23
Tour (no tours accepted after this date)	2/4

We will be going to the library to conduct research with Mrs. Topper. We will then work with Mrs. Allen in the computer lab. She will help us design our Google Earth tour.

STAY ON TASK!!! Any late work will result in loss of points.

I agree to stay on task while working on this project and to put forth my best effort toward completing it successfully. I will make sure I complete any missing/late work as soon as possible to avoid point deductions from the overall grade.
